

Online Training

Introduction to Operator, Bystander, Resident and Worker Exposure Risk Assessment for PPP

19 and 20 September 2024, Online 

This training will give you an introduction to the various exposed groups, will link this into how the various exposure models work to give their estimates of exposure and will cover separate worked exercises to complete.

For the worked exercises you will need access to EFSA's online calculator. We will provide you with information on how to register with EFSA in advance of the training.

Learning Objectives

- Learn about significant changes from the 2014 and 2022 model/guidance and from a demonstration of its use
- Learn about outdoor and greenhouse use in operator exposure risk assessment
- Learn about an explanation of exposure pathways and from refining the models in resident and bystander risk assessment
- Learn about refinement options including DFR studies in workers risk assessment

Thursday, 19 September 2024 10:00 – 14:00 CEST

Introduction to exposed groups and exposure scenarios

Principles of the non-dietary exposure assessment and introduction to 2014 and 2022 EFSA Exposure Guidance

- Introduction to risk assessment
- Dermal absorption
- Operators and outdoor use

Operators, bystanders/residents exposure risk assessment

Workers exposure risk assessment

Participation Fee

€ 795.00 plus VAT

Friday, 20 September 2024 10:00 – 14:00 CEST

Using the online model

Introduction to the online model

Worked examples on operators

Worked examples on bystanders/residents

Worked examples on workers

Future EFSA Guidance Documents updates

Timings are in Central European Summer Time [CEST](#).

The Experts

Neil A. Byron, Exponent, UK

Jenny Chan, Exponent, UK

Jane Evans, Exponent UK

Maria L. Pellizzaro, Exponent, UK

Simon Scarrott, Exponent, UK

The Organisers

For 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups.

Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at www.akademie-fresenius.com

Who will benefit from this training?

Professionals working in the fields of:

- Human exposure & risk assessment
- Research & development
- Toxicology
- Registration
- Marketing & distribution
- Product stewardship & responsible care
- Human/Consumer safety – crop protection

Sectors that should take part:

- Agrochemical industry
- Professional associations
- Consultancies

How will this online training work?

Our online training will be live – with interactive participation – and will be held in the English language. Prior to the training, we will provide you with your login details which will allow you to participate and ask questions from your preferred location. All you need is a stable internet connection and an audio hardware system – and away you go!

Terms of Participation and Purchase: The registration fee includes the participation in the online event and the event documentation for download. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins.

Group Reductions: For joint bookings received from one company we grant a 15% discount from the third participant onwards.

Terms of Cancellation: Cancellations or rebookings to another event are possible in writing without giving reasons and free of charge up to one week before the start of the online event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event. Please note that you can name a substitute participant free of charge at any time.

General Terms and Conditions: By registering, you agree to our General Terms and

Conditions as well as to our Privacy Policy. You can find our GTC on the internet (www.akademie-fresenius.com/general-terms) or receive them on request.

Personal Data: The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this online event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. During this online event, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at: www.akademie-fresenius.com/privacy-policy.
