24<sup>th</sup> International Akademie Fresenius Conference

# The Biocidal Products Regulation

10 and 11 April 2025  
in Dusseldorf/Germany

## Highlights

### Regulatory Updates from the Authorities

- Latest news from ECHA
- Ctgb on improving the assessment speed and facilitating more sustainable use of biocides
- Dossiers assessed by ANSES: review, feedback and recommendations
- BAuA on new hazard classes under the CLP and impact on biocides
- ANSES on dietary risk assessment of biocidal products and new MRL approach

### Legal and Regulatory Challenges

- Dynamics of active substance loss under the BPR
- First-hand experience from industry with applications and renewals
- Sustainability and assessment of alternatives
- The role of the Same Biocidal Products Regulation
- Enforcement and legal updates: labels, claims and advertisement for biocides

### Technical and Scientific Requirements

- Management of in situ generated active substances
- EFSA guidance on drinking water treatment: challenges and implications
- Status of development and regulatory acceptance of NAMs

Receive important updates and  
meet your peers on site!

## The Experts

**Eugen Anwander** Institute for Environment and Food Safety, Vorarlberg State Service / Vice Chair of the BPR Subgroup in ECHA's Enforcement Forum | **Isabelle Attig** French Agency for Food, Environmental and Occupational Health and Safety (ANSES) | **Elaine Black** Ecolab | **Elodie Collin** French Agency for Food, Environmental and Occupational Health and Safety (ANSES) | **Nicolaj Heuer** German Federal Institute for Occupational Safety and Health (BAuA) | **Marcel Hulsman** ERM | **Lucas Kalkers** Dutch Board for the Authorisation of Plant Protection Products and Biocides (Ctgb) | **Madalena Koch** UPL | **Henning Krüger** ChemLaw | **Lydia Pape** knoell Germany | **Chiara Pecorini** European Chemicals Agency (ECHA) | **Vera Ritz** German Federal Institute for Risk Assessment (BfR) | **Boris Van Berlo** Biocides for Europe (Cefic) | **Michael Werner** Stockmeier Chemie

INSTITUT  
FRESENIUS

SGS

# Thursday, 10 April 2025

## Morning Session | 09:30 – 13:15 CEST

09:00 Registration and coffee

09:30 Welcome address by the organisers and the Chairs

Vera Ritz, German Federal Institute for Risk Assessment (BfR), Germany

Michael Werner, Stockmeier Chemie, Germany

## Regulatory Updates from ECHA and National Authorities

09:40 Update on ECHA's activities regarding biocides

- Activities on active substances and Union authorisation
- Update on guidance development and IT tools

Chiara Pecorini, European Chemicals Agency (ECHA), Finland (virtually)

10:15 Update from Ctgb on their strategic objectives

- Reducing the turnaround times for applications
- Facilitating a more sustainable use of biocides
- Gaining knowledge on the long-term effects of biocides

Lucas Kalkers, Board for the Authorisation of Plant Protection Products and Biocides (Ctgb), The Netherlands

10:45 Biocidal dossiers assessed at ANSES: review, feedback and recommendations

- Type and number of dossiers examined
- General feedback on assessment and challenges encountered
- Technical recommendations

Isabelle Attig, French Agency for Food, Environmental and Occupational Health and Safety (ANSES), France

11:15 Coffee break

11:45 Dietary risk assessment of biocidal products and new MRL approach: experience from one Member State

- Residues in food and dietary risk assessment for biocidal products: some examples
- New MRL approach

Elodie Collin, French Agency for Food, Environmental and Occupational Health and Safety (ANSES), France

12:15 New hazard classes under the CLP: impact on biocides

- Historical overview and the need for new hazard classes
- ED hazard categories 1 and 2
- ED assessment of biocidal products with a focus on non-actives/co-formulants

Nicolaj Heuer, Federal Institute for Occupational Safety and Health (BAuA), Germany

12:45 Panel discussion

13:15 Lunch break

## Afternoon Session | 14:15 – 17:15 CEST

## Regulatory Challenges under the BPR

14:15 The dynamics of active substance loss under the BPR

- Pathways for the phasing out of active substances provided by the BPR
- Unintended and hidden mechanisms that cause active substances to disappear
- How the loss of active substances jeopardises the BPR protection goals

Boris Van Berlo, Biocides for Europe (Cefic), Belgium

14:45 Is the Same Biocidal Product still an option?

- The role of the SBP Regulation for the biocides market
- Experiences so far
- Impact of the latest revision on product dossier

Madalena Koch, UPL, Germany

15:15 Coffee break

15:45 Active substance applications and renewals under the BPR

Elaine Black, Ecolab, Ireland

16:15 The EU Chemicals Strategy for Sustainability (CSS): impact on biocides

- EU Green Deal / CSS
- Related (amended) regulations and directives
- Analysis of alternatives and socio-economic analysis

Marcel Hulsman, ERM, The Netherlands

16:45 Panel discussion

17:15 End of first conference day

18:15 Evening event

After the first conference day, you are most welcome to join us for a relaxed evening of great food and leisure time. We warmly invite you to take a short guided tour of the city with us, followed by dinner at Dusseldorf's oldest brewery "Im Goldenen Ring".

Information available online at:  
[www.akademie-fresenius.com/3753](http://www.akademie-fresenius.com/3753)

Friday, 11 April 2025

 **Morning Session | 09:00 – 13:00 CEST**

**09:00 Brief address by the Chairs**

**Vera Ritz**, German Federal Institute for Risk Assessment (BfR), Germany

**Michael Werner**, Stockmeier Chemie, Germany

## Legal Challenges under the BPR

**09:10 Enforcement under EU BPR with a focus on labels and claims**

- Example cases on forbidden claims
- Case law illustrating lawful claims
- Labels in the focus of EU enforcers

**Eugen Anwander**, Institute for Environment and Food Safety, Vorarlberg State Service, Austria and Vice Chair of the BPR Subgroup in ECHA's Enforcement Forum

**09:40 Current legal developments in European and German biocide legislation**

- Update on current European Court of Justice (ECJ) and national court decisions
- Advertisement for biocides
- Experiences with the new provisions for the supply of biocides under the German Ordinance on the implementation of the BPR

**Henning Krüger**, ChemLaw, Germany

**10:10 Panel discussion**

## Technical and Scientific Requirements

**10:25 Management of in situ generated active substances under the BPR**

- Regulatory overview of in situ systems
- Types of in situ systems, data requirements and recent amendments of regulatory authorities
- Challenges in safety and efficacy assessment of in-situ generated active substances
- Innovations in the application of in situ generated active substances in light of regulatory requirements under the BPR

**Michael Werner**, Stockmeier Chemie, Germany

**11:05 Coffee break**

**11:35 Impact and challenges of the EFSA guidance on drinking water treatment on active substances and biocidal products dossiers: Requirements and recommendations on approaches**

- Overview of the EFSA guidance document, its applicability and implementation
- Challenges arising from the individual assessment steps
- Implications for active substance approval and product authorisations

**Lydia Pape**, knoell Germany, Germany

**12:05 Current status of development and regulatory acceptance of NAMs**

- Which NAMs are currently accepted?
- What does the future hold?

**Vera Ritz**, German Federal Institute for Risk Assessment (BfR), Germany

**12:35 Panel discussion**

**13:00 Lunch and end of the conference**

9<sup>th</sup> International Online Conference

### Environmental Risk Assessment of Biocides

27 and 28 March 2025

[www.akademie-fresenius.com/3678](http://www.akademie-fresenius.com/3678)

Online Training

### How to identify Endocrine Disrupting Chemicals

31 March and 1 April 2025

[www.akademie-fresenius.com/3676](http://www.akademie-fresenius.com/3676)

Online Training

### Introduction to Toxicology and Human Health Risk Assessment

13 and 14 May 2025

[www.akademie-fresenius.com/3761](http://www.akademie-fresenius.com/3761)

Online Training

### Introduction to Ecotoxicology and Environmental Risk Assessment

22 and 23 May 2025

[www.akademie-fresenius.com/3762](http://www.akademie-fresenius.com/3762)

 [Book now](#)

Information available online at:

## The Organisers

For 30 years, Akademie Fresenius has been your partner for practice-orientated training on all the latest topics surrounding the safety and quality of food, consumer goods and chemical products along the whole production chain. Our portfolio not only includes international conferences but also offers national trade meetings, intensive practical seminars and training in small work groups.

Our events are designed to promote an active exchange amongst our participants and offer the perfect platform for bringing the industry, the scientific sector, the authorities and the consulting field together. Excellent service, all-inclusive. Our wide-ranging advanced training opportunities contribute to giving our customers the competitive edge in all quality assurance, risk assessment, legal, production and technical questions.

Akademie Fresenius is a joint venture between Carl Remigius Fresenius Education Group, one of the largest private and independent education groups in Germany, and SGS Institut Fresenius, one of the leading German providers of chemical laboratory analysis.

You can find details on upcoming and new events at [www.akademie-fresenius.com](http://www.akademie-fresenius.com)

**Terms of Participation and Purchase:** The registration fee includes the participation in the event, event documentation, and, in the case of on-site events, lunch, coffee breaks, beverages as well as the evening event. You will receive written confirmation of your registration. Upon receiving our invoice, please transfer the amount due without further deductions before the event begins. The price of the event documentation includes the login details for the secure download section of our webpage where you will find the presentations in a pdf format. The login details will be sent to you via email after the event and as soon as advance payment has been received.

**Group Reductions:** For joint bookings received from one company we grant a 15% discount from the third participant onwards.

**Terms of Cancellation:** For our on-site events, written cancellations or transfers will be accepted free of charge up to four weeks prior to the start of the event. After this date and up to a week prior to the start of the event we will reimburse 50% of the registration fee. We cannot, unfortunately, provide refunds for later cancellations. For our online events, cancellations or rebookings to another event will be accepted free of charge up to one week before the start of the event. In the event of later cancellations or non-login to the online event, no participation fees can be refunded. In this case, however, you will receive access to the documentation download after the event.

## Who do you meet

Professionals working in the fields of:

- ✓ Legal and regulatory affairs
- ✓ Registration and authorisation
- ✓ Research and development
- ✓ Product safety and management
- ✓ Regulatory science

Sectors taking part:

- ✓ Biocides and chemical industry
- ✓ Producers of biocidal products
- ✓ Industrial, professional and downstream users of biocides
- ✓ Regulatory authorities
- ✓ Research institutes
- ✓ Legal and technical consultancies
- ✓ Professional associations

## Conference Venue

Novotel Düsseldorf City West  
Niederkaßeler Lohweg 179  
40547 Düsseldorf  
Phone: +49 211 52060-0  
[h3279@accor.com](mailto:h3279@accor.com)  
[www.accor.com](http://www.accor.com)

We have reserved a limited number of rooms for our participants at reduced rates at the hotel. These rooms can be booked up to four weeks prior to the start of the event. Please book early and directly through the hotel quoting "Akademie Fresenius" as reference.

Please note that you can name a substitute participant free of charge at any time.

**General Terms and Conditions:** By registering, you agree to our General Terms and Conditions as well as to our Privacy Policy. You can find our GTC on the internet ([www.akademie-fresenius.com/general-terms](http://www.akademie-fresenius.com/general-terms)) or receive them on request.

**Personal Data:** The Akademie Fresenius will keep your data for the purpose of organising this event. We will under no circumstances use your data for commercial trade purposes. By registering for this event, you consent to our occasionally contacting you by mail, email or phone in order to provide you with further information from our company. You can, of course, withdraw your consent whenever you wish. At our on-site events, occasionally, we go around taking photos and videos which are then published anonymously on our website. During our online events, image and sound content is transmitted, which may originate from the speakers and from the participants. By registering, you agree that this content may be transmitted within the virtual event space. All participants are prohibited from recording this content. Further information can be found at [www.akademie-fresenius.com/dataprotection](http://www.akademie-fresenius.com/dataprotection).
